### 8.1. Tax forms, card readers, philatelic products, your own stamps, coins, coin sets, prepaid postal products, envelopes, packing boxes, newspaper subscription

8.1.1. Customers can order products against the payment of both the purchase price of the product/service and the charge for the postal service offered for delivery if applicable.

8.1.2. The price indicated next to the product/service in the [WEBSHOP](#) is the sales price of the product/service, which includes VAT if the product is subject to value added tax, but does not include the charge for the postal service offered for delivery if applicable. The system automatically calculates a service charge of HUF 0 for product groups on which Magyar Posta makes no extra charge for the delivery. The sales price is valid at the given moment, and for products/services on special offer for the period of time advertised on the web page, and is only finalised after Magyar Posta has sent confirmation following an order being placed as described in section 5.6.

8.1.3. For some products/services (e.g. Your Own Stamps) there is a discount over a certain quantity, which will be automatically deducted from the selling price for the given quantity by the system.

8.1.4. If there is a price change, for orders placed before the change comes into effect the previous selling price (confirmed to the Customer) will be charged.

8.1.5. **If the contents of the basket are mixed, the ordered goods will be invoiced and delivered separately for each product group (section 3).**

8.1.6. After the order is forwarded, the Customer deemed consumer<sup>8</sup> as defined by the Civil Code (hereinafter referred to as a Customer as the Consumer) may cancel the contract or, if the performance of the service based on the order has already begun, may terminate the contract without any obligation to state a reason, any time from the date of forwarding the order but not later than

- 8.1.6.1. 14 days of receiving the ordered product by the Customer or by a third party designated by the Customer if the item ordered was a product,
- 8.1.6.2. and 14 days of the date of entering into a contract if the item ordered was a service.

8.1.7. The Customer as the Consumer may indicate an intention to cancel the contract to Magyar Posta as follows – but taking account of the provisions set forth in section 8.1.9 as well:

- 8.1.7.1. prior to receiving the ordered goods, informing customer service of the cancellation of the order in writing (by post, fax or e-mail) or verbally (in person, by phone),
- 8.1.7.2. by refusing to accept the ordered product at the time of its delivery,
- 8.1.7.3. by informing customer service in person, in writing ([DECLARATION OF CANCELLATION](#) described in Appendix no. 1 of these GTC published on Magyar Posta's website, by post, fax or e-mail) or verbally (by phone) by the 24<sup>th</sup> hour of the 14<sup>th</sup> day following the day the product was received (or the date of entering into a contract in the case of a contract to provide a service), and posting the product(s), which was (were) ordered but returned due to cancellation, and as far as possible together with the invoice to customer service within 14 days of communicating the cancellation of the contract, or handing over them in any other verifiable manner. 8.1.8. If the price of the ordered product/service (including the costs of delivery) has been paid by the Customer as the Consumer, Magyar Posta will refund the amount to the Customer as the Consumer immediately, but within no later than 14 days of learning about the cancellation. The refund may be withheld as long as the Customer as the Consumer has returned the product, or (if it occurs earlier) has proven the return thereof without any doubt.

8.1.9. With Your Own Stamp orders there is no cancellation option according to the Government Decree as this is a custom product, the production of which has been carried out upon the explicit request of Customer as consumer. With newspaper subscription if delivery has already been started based on the Customer's order, the Customer is only entitled to a pro rata subscription fee, prevailing for the outstanding subscription period.

---

<sup>8</sup> Consumers as defined in point 3 of paragraph (1) of Section 8:1 of the Civil Code are natural persons acting beyond their profession, their independent employment or business activity.

8.1.10. In case of ordering other products or services the Customer can exercise the right of cancellation according to the provisions set forth in section 8.1.6 to 8.1.7, but is responsible for any depreciation, which may arise from the use exceeding the use necessary for the identification of the nature, features and operation of the product. Posta reserves the right to determine the price of the depreciation, which may arise from the use beyond this.

In case of faulty performance (failure in quality) the Customer is obliged to inform Magyar Posta in a complaint at the customer service contact details given in point 1.2 without delay after detection of the failure – within two months in case of Customers as the Consumers – by indicating the data required for the [RECORD](#) provided in Appendix no. 2 of these GTC published on Magyar Posta's website. The Customer is responsible for any damage arising from the delay of the said information.
