

MAGYAR POSTA'S POSTAGE PAID INDICIA

1. Indication of postage paid in cash

Indication of direct cash payment

At IPN post offices: Postage paid label substituting the postage stamp

(IPN: Integrated Postal Network System, computer system supporting counters among other functions.)

Contents of the imprint:

Data that remain the same in the postage paid imprint: name of the country, indication of the currency (Ft, i.e. HUF) and Magyar Posta's logo.

Variable data: the postage charged for the given mail item (total amount), the name of the specific postal service outlet, the number of the actual transaction of the counter (on the specific day) as well as the date and the operator's ID number.

Postage paid label

				Operator's identifier
Name of postal outlet	—		12345678	Label number
Date	—		MAGYARORSZÁG	
Operator's identifier (8 digits)	—		Ft 250 Ft	Amount
			000023	Label number

At postal outlets operating without IPN technology:

**KÉSZPÉNZZEL
BÉRMENTESÍTVE
1428 Budapest 8**

2. Indication of postage paid in cash in the price of prepaid postal stationery

2.1. Envelope, postcard and picture postcard with value indication (imprinted stamp)

Contents of the imprint:

In all cases a stamp design imprinted on an envelope or postcard, picture postcard includes the inscription "Magyarország" (Hungary) and the face value expressed in Hungarian forints. The shape, size, graphics and security elements of the stamp designs vary.

Specimen:

2.2. Prepaid envelopes and postcards

Prepaid envelopes and postcards are made with security elements and a stamp impression without value indication (not indicating amount in Hungarian forints). This means that the envelopes and postcards can be used even after price changes without any additional charge provided the mail item can be delivered to the letterbox.

General description of the imprints:

The stamp imprint does not contain any actual value (amount in Hungarian forint) and the stamp designs include the inscription "Magyarország" (Hungary), the year of issue, the emblem of the manufacturing print works and the name of the designer(s).

Envelope types:

2.2.1. Prepaid priority standard size envelope

Description of imprint:

The base colour of the envelope's stamp imprint is dark blue on which there is a pictographic design that uses envelopes to indicate the priority service (a priority envelope passing over a line of envelopes). To the left of a lying bordered inscription "A boríték ára a szolgáltatás díját is tartalmazza" (The price of the envelope includes the fee for the service) there is, as a security element, a rectangular hologram of Magyar Posta's logo (15 x 10 mm).

Size: 110 x 220 mm

Specimen:

2.2.2. Prepaid priority standard size envelope

The base colour of priority standard size envelope is blue. On the left of the envelope there is a guilloche pattern including a map of Hungary divided into counties together with the inscription "BELFÖLDRE" (Domestic). The priority marking is featured to the right of the map. In the design of the imprinted stamp a yellow post horn is set on a blue pattern of interweaving lines for security purposes. The imprint includes the inscription "Magyarország" (Hungary), the year of issue, the emblem of the manufacturing print works and the designer's name.

In the top section of the stamp design and in the strip to the left of the stamp the inscription "Magyar Posta" is repeated in microwriting. The inscription "ELSŐBBSEGI" (Priority) is also featured in block capitals in the strip.

Size: 110 x 220 mm

Specimen:

2.2.3. Prepaid non-priority standard and medium-sized envelope

Description of imprint:

The base colour of the standard and medium-sized envelopes is green. On the left of the envelope, as part of the security pattern of lines, there is a map of Hungary divided into counties together with the inscription “BELFÖLDRE” (Domestic). In the design of the imprinted stamp a yellow post horn is set on a green pattern of interweaving lines for security purposes. In the top section of the stamp design and in the strip to the left of the stamp the inscription “Magyar Posta” is repeated in microwriting.

Size of standard envelope: 110 x 220 mm

Size of medium-sized envelope: 162 x 229 mm

Specimens:

2.2.4. Prepaid registered, standard and medium-sized registered envelope

Description of imprint:

The base colour of the standard and medium-sized registered envelopes is red. On the left of the envelope, as part of the security pattern of lines, there is a map of Hungary divided into counties together with the inscription "AJÁNLOTT BELFÖLDRE" (Registered Domestic). In the design of the imprinted stamp a yellow post horn is set on a red pattern of interweaving lines for security purposes. In the top section of the stamp design and in the strip to the left of the stamp the inscription "Magyar Posta" is repeated in microwriting. The inscription "AJÁNLOTT" (Registered) is also featured in block capitals in the strip.

Size of standard envelope: 110 x 220 mm

Size of medium-sized envelope: 162 x 229 mm
Specimens:

2.2.4/A Prepaid medium-sized registered bubble-lined padded envelope

Description of imprint:

The base colour of the self-adhesive stamp on the medium-sized registered bubble-lined padded envelope is red. The main motif of the imprinted stamp is the post horn, while in the background print appears the silhouette of a mail-carriage. In the bottom section of the stamp design is the specular fragment of the mail-carriage and in the strip to the left of the stamp the inscription “Magyar Posta” is repeated and the inscription “AJÁNLOTT” (Registered) is also featured in block capitals in the strip. The stamp contains security scoring.

Size (inside): 180 x 265 mm
Specimens:

Front:

Back:

2.2.5. Prepaid postcard

Description of imprint:

The base colour of the postcards is orange. On the left of the postcard, as part of the security pattern of lines, there is a map of Hungary divided into counties together with the inscription "BELFÖLDRE" (Domestic). In the design of the imprinted stamp a yellow post horn is set on an orange pattern of interweaving lines for security purposes. In the top section of the stamp design and in the strip to the left of the stamp the inscription "Magyar Posta" is repeated in microwriting. Next to this horizontally there is the inscription "LEVELEZŐLAP" (Postcard) in block capitals.

Size: 105 x 148 mm

Specimens:

2.2.6. -¹

2.2.7. Europe priority prepaid standard and medium-sized envelope

Description of imprint:

The base colour of the standard and medium-sized envelopes is yellow ochre. As part of the security pattern of lines on the left of the envelope there is a map of Europe together with the inscription "EURÓPÁBA TO EUROPE". In the design of the imprinted stamp a yellow post horn is set on a yellow ochre pattern of interweaving lines for security purposes and the inscription "PRIORITAIRE" (priority) is also featured in block capitals in the strip. In the top section of the stamp design and in the strip to the left of the stamp the inscription "Magyar Posta" is repeated in microwriting. The priority marking is featured horizontally next to the stamp design.

¹ Repealed on 1 January 2020.

Size of standard envelope: 114 x 162 mm
 Size of medium-sized envelope: 162 x 229 mm

Specimen:

2.2.8. Outside Europe priority prepaid standard and medium-sized envelope

Description of imprint:

The base colour of the standard and medium-sized envelopes is purple. As part of the security pattern of lines on the left of the envelope there is a globe with the inscription "EURÓPÁN KÍVÜLRE TO OUTSIDE EUROPE". In the design of the imprinted stamp a yellow post horn is set on a purple pattern of interweaving security lines and the inscription "PRIORITAIRE" (priority) is also featured in block capitals in the strip. In the top section of the stamp design and in the strip to the left of the stamp the inscription "Magyar Posta" is repeated in microwriting. The priority marking is featured horizontally next to the stamp design.

Size of standard envelope: 114 x 162 mm
 Size of medium-sized envelope: 162 x 229 mm

Specimen:

2.3. Postage stamps with no value indication (not indicating amount in Hungarian forint)

Postage stamps with no value indication (not indicating amount in Hungarian forint) appear with different subjects and graphic motifs, and the inscriptions on the stamps indicate the service to be used with the postage stamp.

General description of the imprints:

The inscription “Magyarország” (Hungary) appears on all types of postage stamp. Instead of the amount in Hungarian forints indicating the face value of the postage stamps, postage stamps with no value indication (not indicating amount in Hungarian forint) have inscriptions showing the services and additional services they can be used for, which are the following: “BELFÖLD” (Domestic); “BELFÖLD ELSŐBBSÉGI” (Domestic priority); “BELFÖLD AJÁNLOTT” (Domestic registered), “EURÓPA ELSŐBBSÉGI” (Europe priority) and “EURÓPÁN KÍVÜL ELSŐBBSÉGI” (Outside Europe priority), EURÓPÁBA (EUROPE), EURÓPÁN KÍVÜLRE (OUTSIDE EUROPE).

Specimens:

7. International reply coupons

Detailed conditions for the payment of postage with reply coupons is given in point 5.2.3 of the GTC FOR POSTAL SERVICES.

7.1.-⁵

7.2. Magyar Posta accepts the reply coupon below for paying the postage of a postal service until 31 December 2025.

Description of the reply coupon:

On the front of the reply coupon, the motif of a tree formed by hands growing out of the globe with birds can be seen. In the top right corner the logo of the UPU is shown with the reply coupon's motto, the inscription "Préserver l'écosystème – Protéger le climat", marked to the left. The continuous UPU inscription in a transparent pattern runs diagonally across the reply coupon. The UPU logo can be seen with a watermark in the middle of the reply coupon.

In the section under the motto, on the left, the ISO identifier of the postal administration selling the reply coupon can be seen in a frame while the UPU's logo with a transparent pattern surrounds the identifier. The right-hand frame under the motto is for the imprint of the date stamp of the postal service outlet redeeming the reply coupon, in which the transparent UPU inscription is visible horizontally and vertically. Around the frames the inscription "Union Postale Universelle" appears in microprinting.

On the reply coupon released into circulation by some countries, in the bottom left of the front of the coupon, under the name of the country issuing the reply coupon, the flag in the national colours of the issuing country may also appear. In the sample below the national flag of Belarus is visible.

In the field in the bottom right corner the numbers 2022-2025 appear under UV light.

Size: 102x149 mm
